

DT&E	Development Test & Evaluation
DT&E PHASE I	Development Test & Evaluation (Missile Functional Performance [Peacekeeper])
DT&E PHASE II	Development Test & Evaluation (Missile Reentry Vehicle Capabilities and Silo Intergradation [Peacekeeper])
DUAL LAUNCH	The launch of two missiles one after another
EOS	Earth Observation System
ERCS	Emergency Rocket Communications System (494L)
EXOSAT	X-Ray Observatory Satellite
FAST	Fast Auroral Snapshot Explorer
FDE	Force Development Evaluation (Replace the term OT PHASE II testing)
FOT	Follow-on Operational Test (Replaced by OT PHASE II) (Category IV before 1 July 1963)
FTM	Flight Test Missile
GBI	Ground Based Interceptor
GEOS	Geodetic Earth Orbiting Satellite
GEOSAT	Geodetic Satellite (Navy)
GFO	Geosat Follow-on
GLCM	Ground Launch Cruise Missile
GRP	Guidance Replacement Program
HCMM	Heat Capacity Mapping Mission
HP	Helicopter Pad
ICBM	Intercontinental Ballistic Missile
IDF	Integrated Demonstration Flight
IFT	Integrated Flight Test
IPA	ICBM Penetration Aids
IPMS	Inertial navigation system Performance Measurement System
IRAS	Infrared Astronomical Satellite
IRBM	Intermediate Range Ballistic Missile
IRR	Industrial Research Rocket
IRS	Interim Recovery System
ITOS	Improved Tiros Operational Satellite
IWST	Integrated Weapons System Training (RAF/SAC)
JAWSAT	Joint Air Force Academy Weber State
